## Directions from Dun Laoghaire Main Street

Coming from Dun Laoghaire Main Street, go past the People's park on the left, go straight through the traffic lights at Glasthule/Sandycove Village. The road will curve around to the right as it goes up a gentle hill. When it straightens out, you will see a bus stop ahead on the right hand side – we are directly opposite this bus stop on the left hand side. If you come to Fitzgerald's pub, you have just gone past us on the left.

## Directions from Dublin along Coast Road

Follow the coast road from Dublin. Go past the Dun Laoghaire Ferry Terminal and Dun Laoghaire train station and the pier on the left hand side. Go past Sandycove Green on the left hand side. When the grass stops, take the second right hand turn away from the sea (Burdett Ave) (there is a bright blue house on one corner, and a pink house on the other). Go straight up this road until you meet a t-junction- we are on the right hand corner of this junction facing on to Sandycove Road.

**Parking:** You can sometimes get parking directly in front of the surgery. Otherwise there is parking on the streets around the surgery. Most areas are pay and display and costs €1.00 for 1 hour.
